

MOM NEEDS TO LIE DOWN

THE YEARS AND LIVES SLEPT AWAY BY ME/CFS
Myalgic Encephalomyelitis/Chronic Fatigue Syndrome

ME/CFS

affects more than 400,000 Canadians. It causes debilitating fatigue and many people with ME/CFS are unable to work. There is no known cause or cure.

Mom Needs To Lie Down

is a short informational video. The screening on March 6th will also feature a panel discussion about living with ME/CFS in Manitoba and how to find support.

Screening and Panel:

Where: Winnipeg Free Press News Cafe

When: March 6, 2014

Time: 6:00PM - 8:30PM

Tickets: \$10.00 - includes appetizers and a cash bar.
